Dear Mr Weisberg,
After 3 months of delays and postponements the printer have at long last delivered my 1971 Supplement
They made an awful mess of the late entries
I was worried that they would cancell the order and suppress it like my 1968 Bibliography was.
To save time I waived passing the galley proof of the late entries so I could start mailing out the adverts to the 1225 Colleges and Universities before the holidays
Now I will start mailing them out at 100 per week starting on Jan 3.

at 50% discount ($1.50 net) for
hospaid autographed copies of the
Bibliography plus the Supplement
I should get a few orders
It might get you some orders
for "Frame Up"
I never entered your "Coup d'Etat"
as noted in "Frame Up" for it seems
to be solely on the James Earl Ray
case and was not available to
the general public
It was not entered in any of the
Catalogues and indexes that I have
seen in our library.
I tried to get two Flightpaths in
but I heard about it too late
I wish you a Merry Xmas and
a Happy New Year
I am Sincerely yours
W C Thompson
